Mod-Dog

"The coolest crate ever !

Pup Style

"crates had always been a "back of the dog boutique" kind of item. But with Pracilio's reinvention of it's form - front window display here we come!

The New York Times

Brendan I. Koerner,

"the eiCrate is not only meant to soothe canine psyches, but also to complement the décor of well-appointed homes."

AZ Foothills Magazine

eiCRATE editors #1 Choice of 5 Gifts to Give or Keep !

Design Milk

"This is the coolest thing I have seen in a while."

Better Living Through Design

"This dog crate seems more of a sculpture than anything else.... It would blend in nicely with modern surroundings"

She Unlimited

"without sacrificing his eye for detail and design, he was able to create a functional house for our miniature companions"

Pampered Puppy

"airy, modern looking quasi-geodesic dome environment for chic chiens"

Trend Hunter Magazine

"the eiCRATE by designGO! is so well designed I actually wouldn't mind having it on display"
